INTRODUCTION TO ETHICS

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Thilly, Professor of Philosophy in the University of Missouri, has made distinctive additions to English philosophical reading by his translations of Weber s excellent History of Philosophy and of Paulsen s System of Ethics, and he now appears before the public as an independent author of an Introduction to Ethics, a work which upon the face of it makes no higher pretension than that of being a text-book, but as such is simple and clear, accurate in its analyses of past and current systems, and showing much common sense in its modes of exposition. It tells us what these phenomena are, separates them into their constituent elements, and refers them to their antecedents or conditions; it discovers the principles upon which they are based, the laws which govern them; it explains their origin and traces their development. In short, it reflects upon them, thinks them over, attempts to answer all possible questions which may be asked with reference to them....
