Carcenet Press Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Each poem in Catalan writer Ernest Farres Edward Hopper is based on a painting by the American artist. Creating a narrative that follows a subject from small-town origins to big-city life, from youth to age, the story is Hopper s, yet it also belongs to Farres. The ventriloquist slips, revealing his larger concerns: Farres is using the paintings to tell a story of modernity. Lawrence Venuti s translations recreate the heterogeneous language of Farres poetry in an American vernacular that samples Hopper s actual speech and writing. Farres book becomes in English what it is for Catalan readers: remarkable in ambition, wit, and in its probing interpretations of the visual imagination.
