Brand New Book ***** Print on Demand *****.Shipping Container Homes 50 Decorating Designing Ideas For Building Your Dream Home In this filling up world we live in, many of us have become aware that we need to minimize our carbon footprint. We are all using a lot of the planet s resources, and we need to cut back where we can. While this notion means something different to everyone, some have taken it so far as to find a new and innovative way to build new housing. Why not recycle? And so, the shipping container home came into practice. But now that you have a shipping container home, what is the next step? It isn t as though these are standard size and shape for a regular house, and you can completely design everything to suit your own personal taste. And we do mean everything. While it may be a standard size for the house, you can put windows where you want, rooms where you want, and place all furniture and interior design wherever you want. There is no end to the ways you can design your home, and we are going to show you how. By the end of this book, you will know how to: Decorate and design small places to look nice Decorate for style and function Utilize the space you have for the most bang for your room Shop thriftily, making a mansion without breaking the bank And more! You will be amazed at how easy it is to make the most out of your shipping container home, and in no time at all turn the small space into the palace of your dreams. Read on to discover how fast and...
