One More Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. TRACK SMALL BUSINESS FINANCES THE EASY WAY Independent contractors who are looking for a simple way to handle business recordkeeping will love 30 Minutes to a Better Business; A Monthly Financial Organizer for the Self-Employed Individual. This system requires no computer, special math skills or bookkeeping knowledge. Although this financial organizer is designed to be used monthly, it will also work for getting on top of business finances quarterly or semi-annually, which can be helpful when the bank requests a financial statement. When used regularly, most independent contractors will be done in less than 30 minutes each month, once they have read the simple instructions. The biggest time-saver is realized when tax time rolls around; with this system it should take you less than an hour to get ready for your tax professional. Tracking business records in a manner that will satisfy the IRS is especially important if you are working part time, or involved in an industry that the IRS has classified as a possible hobby activity. This organizer will help you to understand what it takes to beat the hobby label, and, it s so simple that after a month or two many will spend as little as 15 minutes getting their business finances in order each month. All of the forms necessary for making this organizer work are contained in this book, along with tips on how to use this information to improve your bottom line.
