Human Embryology

By Daksha Dixit

CBS Publishers & Distributors Pvt. Ltd., 2004. Softcover. Book Condition: New. First edition. Human Embryology has been written keeping in mind the requirements of Medical and Paramedical Students to understand this subject with total clarity and that too in a short span of time. The Chapters are well organized having a simple student friendly language and easy-to-understand illustrations. Most of the illustrations are accompanied by an orientation icon that guides the students towards an in-depth conceptualization of the development of human embryo.

Reviews

Completely essential read ebook. It is among the most awesome book I actually have read. I am very happy to explain how this is basically the greatest book I actually have read in my individual existence and might be the best pdf for possibly.

-- Prof. Alexandro Runolfsson

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Aliya Franecki
