Claim Your FREE Books Each Week With This Book! In this set of true stories of haunted houses, you ll find something different. You ll notice that haunted houses are no fairy worlds. You can t get away with being a comfortable spectator. More often than not, residents of the house are so petrified and in possible danger that they d gladly move out and live in an ordinary house. Paranormal investigators have the equipment necessary to detect the presence of anomalies and disembodied spirits. However, when it comes to identifying or measuring how sinister and powerful a spirit is, there is still not enough evidence to prove anything nor is the process simple or straightforward. There is always mystery shrouding haunted houses and their power to draw powerful spirits from elsewhere and a different time period. In this collection of true stories of ten different haunted houses, you ll find a mixture of moderately disturbing houses to ones that are so horrifyingly scary that it wouldn t be surprising if...
