

Are You Financially Asleep or Awake?: A Book about How Money Drives Your Purpose in Life (Paperback)

By Friday M Simfukwe

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the day you are born up to the day you die, money becomes a very essential part of your life whether you like it or not, whether you know it or not. And one question everyone must ask themselves at one point in life is this: Do I really exist for anything important? What really am I here for? This book opens up the hidden secret behind how money affects your purpose in life. We all live in a money society and whether you realize it or not, you are either a master of money or you are slave of it. Nothing is more important to you than to know that tomorrow is in your hands to create and that you have an assurance of facing your future with fearless confidence. Over 90 of all known crimes are money related crimes. Over 70 of all divorces are due to money related problems. According to UNICEF, 24,000 children die each day due to poverty (// Your future therefore and how you live tomorrow, who you affect and what...
