

Bike Battles: A History of Sharing the American Road (Hardback)

Filesize: 9.19 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

University of Washington Press, United States, 2015. Hardback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Americans have been riding bikes for more than a century now. So why are most American cities still so ill-prepared to handle cyclists? James Longhurst, a historian and avid cyclist, tackles that question by tracing the contentious debates between American bike riders, motorists, and pedestrians over the shared road. *Bike Battles* explores the different ways that Americans have thought about the bicycle through popular songs, merit badge pamphlets, advertising, films, newspapers and sitcoms. Those associations shaped the actions of government and the courts when they intervened in bike policy through lawsuits, traffic control, road building, taxation, rationing, import tariffs, safety education and bike lanes from the 1870s to the 1970s. Today, cycling in American urban centers remains a challenge as city planners, political pundits, and residents continue to argue over bike lanes, bike-share programs, law enforcement, sustainability, and public safety. Combining fascinating new research from a wide range of sources with a true passion for the topic, Longhurst shows us that these battles are nothing new; in fact they re simply a continuation of the original battle over who is - and isn t - welcome on our roads. Watch the trailer:
