Magicians of the Gods

By Graham Hancock

Coronet Books Hodder & Stoughton Aug 2016, 2016. Taschenbuch. Condition: Neu. Neuware - Graham Hancock's multi-million bestseller *Fingerprints of the Gods* remains an astonishing, deeply controversial, wide-ranging investigation of the mysteries of our past and the evidence for Earth's lost civilization. Twenty years on, Hancock returned with the sequel to his seminal work filled with completely new, scientific and archaeological evidence, which has only recently come to light. On the heels of the very successful hardcover edition, Hancock returns with this paperback version including two chapters brimming with recent reporting of fresh scientific advances (ranging from DNA to astrophysics) that substantially support the case. Near the end of the last Ice Age 12,800 years ago, a giant comet that had entered the solar system from deep space thousands of years earlier, broke into multiple fragments. Some of these struck the Earth causing a global cataclysm on a scale unseen since the extinction of the dinosaurs. At least eight of the fragments hit the North American ice cap, while further fragments hit the northern European ice cap. The impacts, from comet fragments a mile wide approaching at more than 60,000 miles an hour, generated huge amounts of heat which instantly liquified...
