One of my favorite things to do is tell a story of what is happening in different people s lives, because we all must do something positive. There are bullies out there. Things happen to us, but we can t give up! I have some adventures that I hope you ll find fun! You can also check out my Auntie Gina in Introspection. You can meet my cousins Junebug and Jake and my many friends. I have a close family and we love each other. That s why I hope you ll love my adventures! This adventure is called Camping Trip. I m not going to tell you the whole story, I ll let you read it. Have fun and enjoy!.
