Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.No one likes to be misunderstood. Misunderstandings from strangers are difficult enough to deal with but when misunderstanding is coming from family members it is much harder to cope with. Victims of Asperger s Syndrome are often victims of misunderstanding and ridicule. Read this book to gain a better understanding of this syndrome and how a mother helps to find ways for her son to live a more normal life. As you follow this mother and son s amazing journey, you will also learn about many ancient Chinese legends, history, culture.and much more, such as the characteristics of this Syndrome, the details of how they explore the natural ways without any side effects to recover gradually. This book has so much to offer. Introduction It s like a miracle to me that my son has finally completed writing his one year journey of China. It s hard to believe that a boy who brought home report cards since elementary school containing teachers comments such as; a bright boy, but. disorganized, does not work up to his potential, is using reading to escape, has little motivation to be part of the class, does not follow instruction, can not stay on task, has now finished this big project of writing a book. Hidden disability is a killer that produces a huge amount of misunderstanding for sufferers and contributes to their frustration, depression, even self-destruction. In my son s case, we used to think he had no motivation or was looking to escape, while he felt overwhelmed with information and would retreat due to his slower informational processing compared to the neural typical person. We thought he was just simply lazy...
