Penguin Putnam Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A riotously funny, emotionally raw New York Times bestselling novel about love, marriage, divorce, family, and the ties that bind--whether we like it or not. The death of Judd Foxman's father marks the first time that the entire Foxman clan has congregated in years. There is, however, one conspicuous absence: Judd's wife, Jen, whose affair with his radio-shock-jock boss has recently become painfully public. Simultaneously mourning the demise of his father and his marriage, Judd joins his dysfunctional family as they reluctantly sit shiva and spend seven days and nights under the same roof. The week quickly spins out of control as longstanding grudges resurface, secrets are revealed and old passions are reawakened. Then Jen delivers the clincher: she's pregnant. Often sidesplitting, mostly heartbreaking.[Tropper is] a more sincere, insightful version of Nick Hornby, that other master of male psyche. --USA Today NOW A MAJOR MOTION PICTURE STARRING JASON BATEMAN, TINA FEY, JANE FONDA, AND ADAM DRIVER.
