Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Children have so much untapped potential, and it is a joy to see it unfold! When they have higher self-esteem and self-confidence, it empowers them; affirmations are just a great way to achieve that. A-Z, the Universe in Me is a collection of short poems, affirmations composed especially for children to hear and enjoy, to sing and repeat. Written in an easy-to-recite style and drawing parallels from nature, the simple poems focus on the fact that all qualities from A-Z in the universe are present in every child. The poems should be read aloud enthusiastically to kids by parents, grandparents, or teachers. Affirmations can be powerful when the words I Am are emphasized. Encourage your children to use them often, e.g., I Am kind; or: I Am grateful Affirmations work best when emotionalized and repeated daily. Singing and reciting the poems are fun ways to evoke emotion, which is very important to make affirmations effective.
