Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Camille Turner has returned to her home town of Rotherham to open her new business, a childrens play centre. She said she left to pursue her education but in reality she was driven away by the antics of fellow pupil Dylan Ball, whose parting shot, a photo of Camille in tight shorts, earned her the nickname Camille Toe. After swearing revenge as she left the school gates behind her, Camille is reunited with a now older and apologetic Dylan who wants to be friends. She d tell him to go to Hell but he does genuinely seem sorry. Plus he s also matured into one sexy male. It s so unfair. But does Dylan really want to be friends or is it all an act to embarrass her once again? Includes a Yorkshire/British glossary to teach you some rude slang;).
