

Legends of the Ozarks (Classic Reprint) (Paperback)

By J W Buel

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Legends of the Ozarks But a few years will elapse when the wild, untoured fathers of America will have departed forever; the last generation of the Red Man will disappear like shadows before the zenith ?ash of Caucasian civilization, and only their wierd traditions and bright-fancied legends will remain to remind the white man of the primeval settlers of the greatest Republic that ?oats a banner neath the stars. The beautiful imagery and day dreams of the savage, the paradise of his hopes, the ambition of his unexam pled nature, the love which he never otherwise ex hibited, and the superstitions which the wild and lonesome forests created in him, are worthy of per petuation. They serve to soften the aspersion cast upon the Indian s character and ennoble a nature which, in the eyes of the progressive and unsympa thetic white man, is pronounced immovable and des titute of moral instincts.
