Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Jill Blake, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When it comes to burnout, Lily Reid is an expert. Determined to turn her personal tragedy into a cautionary lesson for other physicians, she travels the country, lecturing about life balance and stress management. But her words falls on deaf ears-until she hits on a plan to appeal to a broader audience. Enter Wolf Knox, aka Wolfman MD. He s gorgeous, charismatic, and his patients love him. So do millions of fans who follow him online, watching the music video parodies he makes in his spare time. Too bad Wolf believes burnout is synonymous with weakness. His motto? Suck it up-and if you can t handle the pressure, get the hell out of medicine. As Lily and Wolf clash over plans for a joint project, their mutual disdain gives way to desire. But when a fellow physician s suicide forces them to confront their own fears and prejudices, will their fledgling relationship survive? Please note: this is a steamy contemporary romance. It contains adult themes and explicit language, and is meant for adults 18 and over.
