

Is Your Head on Straight?: A New Approach for Healing Head Trauma (Paperback)

By Dr Patrick Gallagher

Chiropractic First! PC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you or someone you care about is suffering from symptoms tied to head trauma and the head not being properly aligned, this book is for you. Worried that, even after all that medical care following the accident, your daily life continues to be filled with that nagging pain at the base of your skull? You know that something is not right. Not happy with the option of taking a medicine to numb the pain, yet still having to deal with those debilitating migraines? Sick and tired of having to have to rely on a bottle of pills to sustain anything close to a normal life? There is hope! Inside this book you will learn about a special procedure that realigns the top bone (atlas) in your neck, which surrounds your brainstem. When the atlas is misaligned, the patient experiences a wide spectrum of pain and discomfort ranging from debilitating headaches and migraines to vertigo that puts the patient on the ground. This is a technique so specialized that out of 60,000 chiropractic physicians, only 1 is board-certified in this line of care. If you...
