Jodi Neelin, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Romi Brenner is back from the front lines of working motherhood with more gems such as how not to go to a video conference, why two months notice is required before hosting a play date, how to decimate a glowing reputation with your company in one business trip, and why you shouldn't take tired children out to a restaurant. Even if it means you have to go home and make them cat food for dinner. Or bark chips. From the domestically challenged author of *Please Tell Me I'm On Mute* comes another collection of stories about the blissful madness that is parenthood. If you've ever spent half an hour picking play dough out of dinosaur teeth or made a small child cry because you served them lunch on the wrong plate, if you haven't gone through a whole day without someone else using your shirt as a napkin or remember when last you made it through a shower without an audience, then this is your song too.
