The creation of this book was produced in the most critical season of your life. A season of total trust, dependent and faith upon Christ Jesus from a desolate place - a.k.a. (Your Birthing.) WOW! Look At God Almighty! May this book of poems produce living water for the special person as they discover their birthing place. Thank you Lord for my bestest sister-girl friend that I love and cherish deeply - (Victory is Yours!) Love, Marvaleeta My mom is a very gifted woman. She uses her gift to bring others to Christ. This poetry book talks about things people may do on an every day basis and my mom gets straight to the point on how God loves you, also how you should surrender it all to him. I love my mother; she has taught me how to pursue my dreams and not to let them fade away. I am really proud of her. My mom is my role model. My mom is also my best friend. I don t know what I would do with out her.
