SERIAL HOMICIDE (BOOK 3): AUSTRALIAN SERIAL KILLERS (PAPERBACK)

Rj Parker Publishing, United States, 2016. Paperback. Condition: New. Aeternum Designs (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Between 1989 and 2006, there were 5,226 homicides in Australia. Serial homicides account for 1 of this astonishing number of murders that were committed by 13 known offenders. In this short-read (105 pages) 3rd volume of the Serial Homicide series, the following cases are discussed: On their way to Sydney for a festival, British backpackers Joanne Walters and Caroline Clarke suddenly disappeared. Their bodies were the first of many to be discovered buried in Belango State Forest. Joanne was stabbed 35 times while Caroline was shot in the head 10 times. Seemingly unstoppable, The Backpacker Killer, Ivan Milat, went on to kill between 7 and 12 people. Known as The Moorhouse Murders, David and Catherine Birnie cruised the streets to abduct young women and bring them to their house. There they raped, tortured, and killed without mercy. The Snowtown Murders, a.k.a. Bodies-in-barrels murders, were committed by four serial killers who targeted homosexuals brutally killing 12 people before they were stopped. Arnold Sodeman, The School-girl Killer, lured young girls between the ages of 6 and 16 with money and ice cream. None of his four victims made it home from the play ground or schools. Eric Edgar Cooke, The Night Caller, terrorized one community for four years where he killed a dozen people. His acts were so depraved it s questionable whether Cooke was even human. And finally, the story of Lindsay Robert Rose, an Australian serial killer and contract killer from New South Wales, currently serving five consecutive sentences of life imprisonment without the possibility of parole for the murder of 5 people between 1984 and 1994.
