Notion Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is there anyone who does not dream of being rich, falling in love with a beautiful girl, getting married to her, having a lovely family, and being able to live a life of luxury? Ravi too had such dreams. But the difference is that he did not stop at just dreaming. He has that winning streak in him that propels him to approach a Wealth Guru. What does the Wealth Guru say to him? Will Ravi be able to fulfill his dream of achieving financial security not only for his family, but for the next seven generations of his successors? What mantras does the Guru have as advice for Ravi? A must-read for every entrepreneur, whether a beginner or a seasoned one. I have forever believed that management is a spiritual journey. Ambition must be tempered with responsibility and success with humility. No achievement is complete without a true feeling and sense of inner fulfilment. Ravi s character in Avinash s book is a confirmation of that belief. - Mr. T R Doongaji Former MD Tata Metals Strips Ltd. (TMSL) Former MD, Tata Services Ltd. A well-conceived, exciting story that will satisfy those looking for some insights from a highly successful entrepreneur. The narrative style of this book makes it extremely interesting to read. The seven sutras come out as the author s personal experience, which I believe is very valuable. Entrepreneurs, both new startups and established ones, can make great use of these sutras by applying them in their businesses. Mr. raam aanand (Founder StardomBooks/infoYOGIS, California, USA).
