*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

## ROUGH CUTS 2015 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The web-site was set up with a number of things in mind. It was intended to be: 1. A vehicle to promote a series of books - new translations of the Bible - which were intended to make reading the Bible easier for the reader in the 21st Century; 2. A means to promote the author, in order that the books he was writing could be considered worthy of being read; and 3. A means in which the author could express his views, in the hope that others might be inspired in the necessary reform of God s church. The blog section of the website, then, was a very important aspect of the website s design. As a consequence all of the blogs fall into one of the three intended categories. This, then, is a complete record of the blogs posted on (and other social media outlets) in 2015. In order to maintain the integrity of the material, there has been no editing or correction to the content of the blogs as they were originally published. They have not been updated to correct any errors (theological or grammatical). They simply appear here in the raw , in the state in which they were first published. The only change is in regard to the formatting, which at the time of publication varied, and was limited, by the media used.
