LIPID PRODUCTION BY OLEAGINOUS YEASTS

LAP Lambert Academic Publishing Aug 2014, 2014. Taschenbuch. Condition: Neu. Neuware - The ability of some microorganisms to produce significant lipid quantities is called as single-cell oil (SCO). The SCO production cost depends mainly upon the species chosen for cultivation, lipid concentration within cells, and the concentration of cells produced. Microbial lipids offer potential for sufficient production of renewable fuels to impact consumption of fossil fuels. Microbial oil production from lignocellulosic biomass offers a new direction for bio-refinery. Therefore, microbial..

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.
