

Multi-National Colleges and Universities: Leading, Governing, and Managing International Branch Campuses: New Directions for Higher Education

DOWNLOAD

Book Review

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.

(Dr. Gabriella Hayes)
