When a prison visit goes sideways, I move fast. I rescue a petite, brunette beauty from the gangs. Bella is innocent. But my thoughts aren t. She makes my body burn with lust. A sweet girl like her shouldn t be here, not with men like me. I m more beast than human. The filthy things I want should frighten her. To wrap her dark hair around my fist and f\*ck her hard. To make her mine. To have her scream my name in pleasure. But those eyes, there s something there. She s dangerous. Because she makes me want to be human. And in prison, abandoning the beast will get me killed. This is a standalone romance with a happy ending. It is a gritty, sexy, steamy retelling of Beauty and the Beast. It contains sizzling action so hot it will have you running to your nearest prison and begging to be locked inside.
