*It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changing the way I believe.*

Tuttle Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Three Kingdoms is the epic saga of loyalty and treachery, brotherhood and rivalry-and the deeds of legendary heroes and villains during one of the most tumultuous periods in Chinese history. This classic tale of brotherhood and rivalry, loyalty and treachery, victory and death will appeal as much to modern readers of Game of Thrones as it did to its original Chinese readers over 500 years ago. The story of the struggles of Liu Bei and his allies against the treacherous attempts of Cao Cao to steal away the throne as the Han Dynasty comes to a close have captivated readers for many centuries. This first volume introduces Liu Bei and his sworn brothers-in-arms Zhang Fei and Guan Yu, whose loyalty and fidelity are sorely tested in a society which is in flux and at war for its very survival.
