Even in the ChurchThe secular divorce rate is currently over 50 percent and sadly, no better behind our church walls. Many of these divorces can be directly attributed to ADULTERY.This book speaks to the command of the Lord that we should be reconciled with Him and with one another, while also affirming His standards and the expectations He has for His Bride, the Church. It provocatively lays out a practical, no-nonsense, godly course for overcoming past failures, receiving forgiveness, experiencing His redemption and gaining freedom through the grace God freely gives.Hebrews 13:4 tells us that marriage is honorable above all, yet rarely a month goes by that we are not confronted by the story of another couple being torn asunder by a straying spouse. Rarely is the impact on these individuals relationships with God, their churches, or their families examined or discussed.Prepare for a fresh take on an age old sin.
