

To Get Back Home: A Mysterious Disease: A Fight for Life (Paperback)

By Wendy Chapin Ford

iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To Get Back Home is a medical thriller of the first order, a true story of triumph and survival over astronomical odds, as an otherwise healthy and active young woman fights for her life after being suddenly stricken by a rare neurological disorder, Acute Demyelinating Encephalomyelitis (ADEM). To Get Back Home takes you on a harrowing journey as Ms. Ford forges her way back from a coma and quadriplegia, desperate to return to her family and young children. Her life seemed perfect until Wendy Ford was stricken and rendered comatose within days, and then, after a tense weeks-long battle for survival, quadriplegic. At one of the most renowned hospitals in the world, Beth Israel Deaconess Medical Center in Boston, the Harvard teaching hospital known as Harvard with a heart, her doctors Harvard Medical School professors all were helpless to diagnose and treat her, hard as they tried, as the rare malady confounded even them and she slipped further and further away. Initially, she was not expected to live, or, ultimately, to walk again or recover her prior intellectual abilities. Doctors have referred to...

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
