ATLANTIC BOOKS, United Kingdom, 2008. Paperback. Condition: New. Main. Language: English . Brand New Book. We had two weeks. There were two of us and nine million of them. The chances were not good. This delightful and compelling account of one couple s attempt to buy their dream flat in Paris is a perfect summer read.Paris has seduced many, but for Ellie Nielsen it s true love. So deep was her infatuation with the city that, if she couldn t have it all to herself she simply had to buy her own little piece of it. The object of her desire seems so simple: the sort of apartment she d seen a thousand times in magazines and books. Something effortlessly charming, and old, and quirky - and beautifully done up. A place exuding character and Parisian chic. Something quintessentially French. The only trouble is that she can spare just 2 weeks in which to realize her dream. But can she negotiate a deal in a foreign language without offending the French? Is it possible - or just a ridiculous fantasy? French phrasebook in hand, plucking up her reserves of savoir faire, and accompanied by her ever-tolerant husband and her young son, Ellie embarks on an adventure. Our Own Piece of Paris is a hilarious and entirely delightful love-song to the most stylish city in the world.
