Reviews

This book will be worth getting. Better than never, though I am quite late in starting to read this one. It has been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, alter the way I believe.

ALICE IN ZOMBIELAND

[DOWNLOAD](#)

Sourcebooks, Napperville, Ohio, 2011. Trade Paperback. Book Condition: New. Sir John Tenniel and Brent Cardillo (illustrator). First Sourcebooks Edition. "They were indeed a queer-looking party that assembled on the bank-the birds with dragged feathers, the animals with their fur clinging close to them, and all dripping wet, cross, and uncomfortable. All of them were covered in Alice's now cold and congealed blood, which made them even tastier looking to poor hungry Alice. When little Alice follows the Black Rat down into the gaping darkness of an open grave, she falls and falls. And soon finds herself in an undead nightmare of rotting flesh and insanity. Venturing further into this land of zombies and monsters, she encounters characters both creepy and madcap along the way. But there's something else troubling poor Alice: her skin is rotting and her hair is falling out. She's cold. And she has the haunting feeling that if she remains in Zombieland any longer, she might never leave. Can Alice escape Zombieland before the Dead Red Queen catches up to her"? Size: 19 cm.
