The battles of Philippi and the death of Brutus and Cassius put an end to the republican party to whom Caesar owed his death. The whole realm was handed over to the imperial Triumvirate, who now made a new division of the vast Roman world. Antony took as his share all the mighty realm of the East; Octavius all the West. To Lepidus, whom his powerful confederates did not take the trouble to consult, only Africa was left. The after-career of Antony was a curious and impressive one. He loved a bewitching Egyptian queen, and for a false love lost the vast dominion he had won. The story is one of the most romantic and popular of all that have come to us from the past. It has been told in detail by Plutarch and richly dramatized by Shakespeare. We give it here in brief epitome. Fourteen years previously Antony had visited Alexandria, and had there seen the youthful Cleopatra, then a girl of fifteen, but already so beautiful and attractive that the susceptible Roman was deeply smitten with her charms. Later she had charmed Caesar, and now when the lord of the East set out on a tour of his new dominions, the love queen of Egypt left her capital for Cilicia with the purpose of making him her captive. It was midsummer of the year 41 B.c. when Antony arrived at Tarsus, on the river Cydnus. Up this...
