By Marie Cullen

Shelley Flood. Paperback. Condition: New. 324 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. OH, SO CLOSE is a fast-paced psychological thriller about what keeps us sane and what pushes us over the edge. What drives one person to commit desperate acts while another accepts their fate. It's a story of obsession and desire. How far will one go to get what they want? How much is enough? Jack and Michael were best friends with very different backgrounds. Highly ambitious, they both sought the dream life of the affluent North American. But things don't go as scripted for Jack. His desire to achieve his ultimate goal takes him to depraved and dark places, devastating those who loved him, and irrevocably shattering one family's life. It's a story of basic human needs. It's a story about trust. It's a story about how well you know your friends. OH, SO CLOSE packs in infidelity, mental health, love, abandonment, infertility, blind ambition, sex, and murder. It makes for one very lively book club discussion! - Angela Glibbery I enjoyed it so much I could not put it down. I wish there were more to read. You are one sick puppy. I can't wait to read...
