

On the Foundations of Happiness in Economics: Reinterpreting Tibor Scitovsky (Hardback)

Filesize: 5.24 MB

Reviews

Comprehensive guideline! Its this sort of good read. It is actually written in simple terms and never hard to understand. Its been developed in an exceedingly simple way which is just after i finished reading through this ebook where actually changed me, modify the way in my opinion.

(Mabelle Wuckert)

ON THE FOUNDATIONS OF HAPPINESS IN ECONOMICS: REINTERPRETING TIBOR SCITOVSKY (HARDBACK)

DOWNLOAD

Taylor Francis Ltd, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. Economic growth has extraordinarily increased the availability of market goods to satisfy people s need for comfort, but at the same time it has also raised great challenges to their working and family life. Will people learn the skill necessary to cope with these challenges and draw full enjoyment from economic growth? On the Foundations of Happiness in Economics explores this question by examining the work of Tibor Scitovsky, author of The Joyless Economy. Given the recent rise of behavioural economics and happiness economics, this book aims to show how far ahead of his time Scitovsky was in his work on individual welfare (or wellbeing). It traces the evolution of Scitovsky s original thought, arguing that he has been frequently misunderstood, before undertaking formal analysis in order to demonstrate how far his work anticipated or even went beyond the recent advances in economics. This volume also explores Scitovsky s work in the context of Keynes work on wellbeing, offering a new perspective on welfare in the history of economic thought. Other issues discussed in this text regard creativity and social skills, hedonism and eudaimonia, parenting and education, addiction, work/leisure balance, policies for happiness, paternalism, and the quality of economic growth. This book addresses a variety of readers, such as those interested in the history of economics, as well as students and researchers concerned with the economic theory of well-being.
