Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Plant Culture a Working Hand-Book of Every Day Practice for All Who Grow Flowering and Ornamental Plants in the Garden and Greenhouse In nearly all of the recent works of this nature, appearing in America, the subjects dealt with have been confined, more or less, to those plants that can be and are cultivated by commercial florists for profit, or by those who own conservatories. And while the present book includes all this class of information it has a far wider scope treating, as it does, on the care and management of a diversity of plants not touched upon by other writers, all equally necessary in the adornment of our gardens and homes and for this purpose, as beautiful and interesting as those that generally receive the greatest attention from authors of most horticultural works. Divested of superfluous verbiage, and shorn of perplexing technicalities which tend to confuse, the cultural directions here given can be easily and successfully followed, the results contributing to the perfect enjoyment of the purest of human pleasures, by some, and...
