Cornerstone, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The most timely of alternate history novels. Ben Winters has created a spellbinding world that forces the reader to look around-and to look within. This is a thriller not to be missed and one that will not be easily forgotten. Hugh Howey It is the present-day, and the world is as we know it. Except for one thing: slavery still exists. Victor has escaped his life as a slave, but his freedom came at a high price. Striking a bargain with the government, he has to live his life working as a bounty hunter. And he is the best they ve ever trained. A mystery to himself, Victor tries to suppress his memories of his own childhood and convinces himself that he is just a good man doing bad work, unwilling to give up the freedom he is desperate to preserve. But in tracking his latest target, he can sense that that something isn t quite right. For this fugitive is a runaway holding something extraordinary. Something that could change the state of the country forever. And in his pursuit, Victor discovers secrets at the core of his country s arrangement with the system that imprisoned him, secrets that will be preserved at any cost. ` It is a rare thing when a writer has a fresh new provocative idea - and then executes it beautifully. This is what Ben H. Winters has done in his novel Underground Airlines. Imagine an America in which slavery still exists. Now imagine a dramatic telling of the story. James Patterson.
