This book offers valuable keys that will help YOU meet your challenges, rise above limitations and transform your life, business, or organization into the very best that it can be! With deep insights and cultivated wisdom, Robert helps to shift ones life and perspectives - towards Unlimited Possibility, so you can begin to create and live the life, business and organization of Your highest inspirations and deepest dreams. Preface to this book. . . This book was created by request. A number of individuals from businesses and organizations approached me after reading: Clarity, Inspiration, and Optimum Potential: A Concise Guide for Creating Infinite Possibility in YOUR Life! and asked me to write one that specifically applied to creating and/or maintaining a successful and dynamic business and/or organization. In the Pursuit of Excellence: A Concise Guide for Creating Unlimited Possibility in YOUR Life, Business and/or Organization! is the result. It contains many of the techniques and practices that are in the first book - it has to - all of the same principles and course of actions apply - but this book is specifically applicable to companies and organizations...
