

Protagoras and Meno

By Plato

Penguin Books Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Exploring the question of what exactly makes good people good, Protagoras and Meno are two of the most enjoyable and accessible of all of Plato's dialogues. Widely regarded as his finest dramatic work, the Protagoras, set during the golden age of Pericles, pits a youthful Socrates against the revered sophist Protagoras, whose brilliance and humanity make him one of the most interesting and likeable of Socrates' philosophical opponents, and turns their encounter into a genuine and lively battle of minds. The Meno sees an older but ever ironic Socrates humbling a proud young aristocrat as they search for a clear understanding of what it is to be a good man, and setting out the startling idea that all human learning may be the recovery of knowledge already possessed by our immortal souls.

Reviews

This pdf will be worth buying. Better than never, though I am quite late in starting to read this one. I can easily get a enjoyment of reading through a published book.

-- **Paul Ankunding**

Definitely one of the better books we have possibly read. We have read through and I am also certain that I am going to go back and study it once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
