New Harbinger Publications, United States, 2001. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Perimenopause encompasses a life transition that begins for most women with subtle physiological changes in the mid-thirties, gathers pace in the forties, and culminated with menopause. It s common to experience a bewildering array of symptoms, including hot flashes, mood swings, irregular menstruation, unexplained fatigue, and trouble sleeping. The second edition of this popular self-help guide explains why the changes occur and presents the best strategies for dealing with them. The authors show women what they can do to cope with symptoms and offer practical suggestions for minimizing the long-term health risks that can occur as a result of menopause. Throughout, their goal is to energize and empower readers to manage their own transition through perimenopause in ways that will ensure health and vitality in the years ahead. New in the Second Edition: Expanded chapter on alternative health options Relevance and updated facts about heart disease, osteoporosis, and breast cancer Revised guidelines for birth control and infertility procedures Latest word on hormones, hormone balancing, and hormone replacement New help for PMS and incontinence.
