It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

Hawkesbury Press. Paperback. Condition: New. 114 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Flash fiction, sudden fiction, microfiction, ultra short fiction - call them what you will, these twenty wry and witty short stories examine change at every stage of life, in a natural progression from birth to death. Mostly lighthearted, but often moving too, this collection is written with an admirable economy of style. Ranging from a spartan 100 words to the relative luxury of 1,000, they combine sharp observation of contemporary English life with gentle humour, profound affection for the social quirks of the authors native country, and the odd dark rumbling undertone. Plenty of surprises emerge along the way, from twists of magical realism to whimsical wish-fulfillment. Heres what some pre-publication readers have had to say about Debbie Youngs first collection of flash fiction: I loved these stories. Sly, witty, surprising, and the twists are genuine twists. The characterisation is lovely, very deft and economical. They make domesticity look edgy, sometimes dangerous, but they are also life-affirming. - Lucienne Boyce, historical novelist and historian Very subtle, very English, very clever. I also loved the overall idea, the way the stories went from infancy to old age, shedding a revealing light on each stage. Good luck with this splendid collection. - Marius Gabriel, author of historical novels and contemporary thrillers A joy to read, absolutely delightful! - Georgia Rose, contemporary novelist The language reveals a sharp intellect and a broad knowledge. Mari Howard, contemporary novelist Flash fiction is so hard to do and it was a pleasure to read. - E J Eyles, mystery novelist Other reactions from early readers: a feather-light story, fabulous story with sinister undertones, brilliant!, like Roald Dahls short stories, as sharp as a Kirsty McCall song, like a prose poem, a masterpiece, perfect,...
