

## Galaxy Riders (Paperback)

Filesize: 9.35 MB

### ***Reviews***

*The ebook is not difficult in study preferable to understand. it was writtern quite flawlessly and beneficial. You are going to like just how the author compose this book.*

*(Leola Smith)*

## GALAXY RIDERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Spaceship Sunflower Explorers land on Mars in the fifth dimension. Martians live beneath the surface growing and harvesting food from the Martian Gardens. Water was supplied by earth as Super space tankers siphoned from its lakes and oceans. Martian Council members welcomed the Explorers. Spaceship Sunflower was equipped with Starlight Gravity engines. Martian Zeta Delta s son, Tut X, was stranded on an isolated planet in Andromeda galaxy. Sunflower Explorers launch from Mars on a rescue mission led by Zeta Delta. He assisted the explorers as Benjamin and Mikey piloted Spaceship Sunflower to the flowing rim of a black hole, where a powerful gravitational force propelled them into another dimension of space and time. Star charts guided them to planet, New Garden of Eden, inside a solar system of Andromeda. Tut X and his father tried to persuade all Martians to desert Mars and migrate to Planet Eden. They would then garden beneath a sun, no longer dependent on the water from earth. Galaxy Riders from earth challenged the Martian Council. Russians landed on the moon testing nuclear weapons. World War Three loomed ahead. Future water supplies for Martian Gardens were threatened. This novel introduces many tales from the Martian Gardens, as human beings learn how Martians survive. Readers will be exposed to a history of Martians from 3.000 B.C. to 2099 A.D.
