LABORATORIUM: RUSSIAN REVIEW OF SOCIAL RESEARCH, 1/2012**DOWNLOAD PDF**

Laboratorium Us Sr, United States, 2012. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Articles: * Limits and Strategies for the Internationalization of Russian Economic Science: Sociological Interpretation of Bibliometric Data, Olessia Kirtchik (in English). In the current context of the globalization of science, excellence is most often associated with internationalization and assessed through high-impact international publications. Analysis of publications in economics covered by Web of Science demonstrates that the very repertoire of international publication strategies of Russian authors is determined by the transnational system of communication in economics. Economics papers from peripheral nations are essentially assigned to regional or area studies periodicals, which do not belong to the core of the discipline. Publication in top economics journals requires a specific international competency usually obtained through doctoral training at Anglo-American PhD programs and generally implies a delocalization of research objects and questions. * The Transformation of the Organizational and Professional Context of the Public Opinion Survey Industry in Russia: Macro- and Microanalysis, Roman Abramov (in Russian). This article analyzes the organizational structure of the public opinion survey industry in Russia as an independent market and society sector. The article consists of two parts: the first part attempts a macroanalysis of the principles of this industry s organization and argues that over time the public opinion survey industry has adopted standards of governance conventional in marketing research. The second half of the article based on organizational ethnography provides insight into this industry s work on a micro level. The main conflict discussed here is the struggle between managers and professionals over who will control the work process and dominate the organizations management. This article draws on work in the subfields of organizational theory, sociology of markets, and sociology of professions. *...
