

Long-Term Community Recovery Planning Process: A Self-Help Guide

By Federal Emergency Management Agency U.S.

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 106 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Following certain disaster events, state, tribal, and/or local governments may wish to undertake a long-term recovery program in which FEMA - using its long-term community recovery assessment tool indicates that supplemental federal support is not required. The FEMA Long-Term Community Recovery (LTCR) Self-Help Guide (guide) is intended to provide state, tribal and local governments with a framework for implementing their own long-term community recovery planning process after a significant disaster event. It is assumed that any state, tribal, or local government undertaking a LTCR Self-Help program will have qualified staff to manage the planning process. Every disaster is unique, but there are basic principles that can be applied to assist in long-term recovery from the disaster. This LTCR Self-Help Guide: Provides step-by-step guidance for implementing a LTCR planning program based on the experience obtained and the lessons learned by teams of planners, architects, and engineers over a period of several years and multiple experiences in comprehensive long-term community recovery; Incorporates case studies for each of the steps in a LTCR program; Offers guidance and suggestions for involving the public in the...
