The book is described in a vivid way. readers no dull sense of taste of over 100 drugs have done a detailed analysis of medicinal each herb to sort out the main line. The book is broad. vivid. highly academic. publishing believe can become Materia Medica leishu New atmosphere suitable for the majority of the Chinese medicine profession and in medicine enthusiasts reading reference. Author directory on medicinal sentiment [REVIEW] drug's role is not accidental discovery. the ancients inferred by observing its habits. A conclusion behind Chinese medicine has a reason to exist. absolutely not some people say that the experience of medicine. it little of ancestors. Learning Chinese medicine just know that it can cure what is not enough. but also to go into why it has this effect. Although this is a talk about drugs. also not want to give my friends a drug user manual. but the drug as the carrier to further explore the principles of medical science. Thus. the drug in the book are not fully documented their attending. but by pondering the growth habit of the drug to try every blind drug stroked a main line. Friends can infer something along the...
