Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An avid reader of my mother s well stocked library of poetry collections, I soaked up a wide range of poetic works. However, most of the content of those books have either slipped from or never really taken root in my memory. What is retained is a sense of rhythm and rhyme. Sometimes the rhyme is abandoned within the rhythm and at other times the rhythm is abandoned in the rhyme. Sometimes they both come together. At all times I find joy in the release of the writing and the expression of joy. There are some experiences which, I feel, are best - or even only - described in poetry. My aim is to capture moments we likely have in common, to share experiences. Please enjoy.
