

Of the People, by the People

By Robin Hahnel

AK Press. Paperback. Condition: New. 160 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Unless the economy is of the people and by the people it will never be for the people. This book is for people who want to know more about participatory economics and what a desirable alternative to capitalism might look like. It is for people who want more than rosy rhetoric and Pollyannaish descriptions of people working in harmony. It is for people who want to dig into what economic justice and economic democracy mean. It is a book for optimists-who believe the human species must be capable of something better than succumbing to competition and greed or authoritarianism, and would like to know how we can do it. It is also a book for skeptics-who demand to be shown, explicitly and concretely, how a modern economy can dispense with markets and authoritarian planning, and how hundreds of millions of people can manage their own division of labor efficiently and equitably in a participatory economy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Enrique Labadie**

This book is definitely worth buying. This really is for all who statte there had not been a worthy of studying. You will not sense monotony at at any moment of the time (that's what catalogs are for concerning should you check with me).
