

Career Success in Healthcare Information Technology

By Betsy S. Hersher

Taylor and Francis, United Kingdom, 2004. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book. The healthcare industry is constantly evolving. As a result, now is an excellent time for IT professionals to step up, be noticed, get ahead, assume new roles and gain additional experience. Career Success in Healthcare Information Technology helps healthcare IT professionals reach their full potential by providing insight into career development and personal growth. Whether you are an industry newcomer or a veteran in the field, you will learn how to assess career goals and manage career plans. The book also offers practical advice on growing careers, writing resumes, preparing for job interviews, negotiating job offers and relocating. In addition, the authors explore the role mentors and coaches can play in one's career. Using their experience as industry recruiters and consultants, the authors examine the current state of healthcare IT and offer insight into where healthcare IT is heading and how that will impact the job market.
