Management Books 2000 Ltd, United Kingdom, 2000. Paperback. Condition: New. Language: N/A. Brand New Book. Written in down-to-earth language, business author and consultant Graham Little s five book series sets out leadership principles and explains how leadership skills can be developed and applied to any organization. This book covers the principles of business leadership in a variety of contexts. Operations leadership is targeted at operations managers within manufacturing organizations. Areas covered include: taking responsibility for profit; setting clear targets; improving unit costs; building profit-consciousness; reducing waste; improving plant efficiency; maintaining quality; planning ahead; building a strong team of supervisors; and raising plant morale.
