Press: CITIC Publishing publishing Date: 2002-6-1ISBN: 9787800734779 Words: Page 2002 -06-01 Edition: Binding: Folio: Product ID: 430 602 Editor's Choice Writing loyalty law a book expansion purpose is to ensure that the energy put into the building loyalty relationship resources can be fruitful. After the transition to the new economy. the enterprise What is loyalty. and loyalty to the law change there is still a lot of concerns. For some people. apparently loyalty is very important to the success of a radical proposition. But these rules are not fat helpless change - on the contrary. loyalty is more important than ever. but the company's own strategic and internal system often inadvertently relax efforts to establish the relationship between customer and employee loyalty. Abstract Today. companies in the developed world on average every five years. the loss of half of the customers. and more than half of the employees that their company is not worth their...

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
