In this absorbing expose, Marion Nestle goes behind the scenes to reveal how the competition really works and how it affects our health . The abundance of food in the United States - enough calories to meet the needs of every man, woman, and child twice over - has a downside . Our overefficient food industry must do everything possible to persuade people to eat more - more food, more often, and in larger portions - no matter what it does to waistlines or well-being . Like manufacturing cigarettes or building weapons, making food is very big...
