

Sustainist Design Guide: How Sharing, Localism, Connectedness and Proportionality are Creating a New Agenda for Social Design (Paperback)

By Michiel Schwarz

BIS Publishers B.V., Netherlands, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. In the era of sustainism it is no longer a matter of designing for society, but within it, say the authors of Sustainist Design Guide. Michiel Schwarz and Diana Krabbendam observe a wave of new social initiatives that is emerging locally and globally: millions of dedicated people are beginning to design different kinds of living environments that are more collaborative, more socially just, and more sustainable. This movement, and how we can all become social designers is what the Sustainist Design Guide is all about. This exploratory guide travels the new landscape of social design thinking and practice, viewed through the lens of sustainism 3/4 a perspective that is seen as a new ethos for design. The Sustainist Design Guide is co-authored by Michiel Schwarz, who together with Joost Elffers co-created the widely-discussed Sustainism manifesto. It is the first to take the idea of sustainism as cultural driver into into the realm of design for social innovation. The Sustainist Design Guide presents a new agenda for design, based on values such as sharing, connectedness, localism, and proportionality, as well as sustainability. It challenges us to...
